## Summary

A 4th year undergrad seeking roles in an organization where technical skills are useful and I am provided with opportunities to grow.

## Educational Background

**2021**

**2017 - 2021**
Bachelor of Engineering, Mechanical Engineering
Bangalore Institute of Technology

## Skills

- Java
- Python
- HTML
- CSS
- JavaScript
- React basics
- SQL
- Data Structures

## Work Experience

**Jan, 2019 - Feb, 2019**

**Gifto Retail Technologies Private Limited**
- This startup combines e-commerce and offline shopping with 'camera commerce'.
- I was responsible for Image Classification for an application built by the organization which was used in the camera commerce.

**Nov, 2019 - Dec, 2019**

**Uttarakhand Transport Corporation**
- I was trained on several mechanisms of transportation vehicles, and learnt in detail about these mechanisms.

## Extra-curricular

- I am the **Vice President** of the official music club of BIT.
- As the member of the music club I have co-organized several events such as singing competition in BIT.
- Our club has represented BIT in VTU fests and got several awards.
